Hello and Good morning,

I am speaking on the behalf of a company whose expertise should be of significant importance to the members of the association. IDENTI-CHECK, Inc is a pre-employment screening company based out of Springfield Illinois who specializes in providing employers with information on a potential employee's previous background. In today's business climate no one can afford the cost of hiring the wrong person, so by helping *hire right the first time* prevents unwanted litigation from employee misconduct.

If an employee injures another employee, patient and/or customer, the employer may be held liable therefore employers can be subject to negligent or wrongful hire litigation. Identi-Check can help you take positive steps toward reducing violence, theft, accidents and liability in the workplace. Background screenings are especially important now because falsifications of employment applications are at an all time high. According to industry experts, 52% of all employment applications and resumes contain erroneous information:

Identi-Check lets you know who your hiring by giving you valuable insight into your applicant's background.

Identi-Check offers over 17 different search options to meet the needs of your candidate selection and hiring process. Search criminal and driving records for theft, fraud, identity theft, drug convictions, DUI and hazardous driving practices. The depth of your search is entirely up to you. You can retrieve the results from over the Internet or by fax within 48 hours, securely and confidently.

Information is available at an affordable rate; why not use this valuable tool in determining candidate suitability. The primary purpose of pre-employment screening is to protect an employer's assets as well as the employee's safety, but also their well-earned reputation. Enclosed is a brochure with a synopsis of our services with prices. Reduce your liability and give IDENTI-CHECK, Inc. a call at 217-753-4311, Jennifer or I would welcome the opportunity to further explain how our services can be of use to you and design a program for your organization as we have for so many other businesses and associations.

Information is available and can be used as a valuable tool in determining candidate suitability.

IDENTI-CHECK, Inc. is always looking for new business. We would appreciate it if you would pass our name on to your friends and business associates. We are available for meetings or would be glad to send them a marketing packet with all of our information.

Bob Ridings greatest asset is its employees. Its greatest liability – is its employees. According to recently released FBI statistics, the most common cause of death in the workplace is motor vehicle accidents. Workplace violence is also on the rise. And employee theft is costing business millions.

Workplace safety and security is a major concern, and the cost of doing business is on the rise as business insurance premiums increase to cover the potential liability and devastation caused by unsavory employees. Wouldn't it be nice to know the truth about a candidate's background before he or she joins your workforce?

Identi-Check can help you take positive steps toward reducing violence, theft, accidents and liability in the workplace. Identi-Check lets you hire right the first time by giving you valuable insight into your applicant's background.

Identi-Check offers over 15 different search options to meet the needs of your candidate selection and hiring process.
